

## Titans Youth Football and Cheer Fundraising Policy

Titans Youth Football and Cheer Association (TYFCA) relies on fun, quality fundraising events during the year to cover all expenses incurred in an effort to fulfill our commitment to a memorable football and cheer experience with our children. Having our parents involved in these fundraisers is a key part of the success of the events.

Each registering family will be required to provide a Fundraising Deposit. Families with one child will pay a \$325.00 deposit. Families with two or more children will pay a \$525.00 deposit. Deposits shall be made in the form of a check, payable to TYFCA and postdated for **August 1** of this calendar year. All checks will be securely held by the Registrar of the TYFCA. Upon the fulfillment of fundraising requirements, checks will be destroyed. If a participant's fundraising obligations have not been met by the fundraiser date (changes yearly) TYFCA reserves the right to deposit the check and utilize the funds to assist with expenses incurred in an effort to execute the season.

Participation in fundraising events can take many forms. Acceptable fundraising efforts can include but are not limited to, attendance and participation in any of our upcoming fundraising events, locating and securing sponsorships for our upcoming fundraising events, donating prizes for upcoming fundraising events, or providing sponsorship to the Titans Youth Football and Cheer Association based on our sponsorship guidelines. All fundraising opportunities shall be identified or qualified by the Fundraising Director of the TYFCA.

The fundraising deposit is intended to help motivate members of the Titan Nation take part in and facilitate the continued success of the organization. This deposit is not intended to be a fundraising buyout, it is intended to motivate Titans family to have the opportunity to become personally involved in the organization, meet new people, and build a community bond that supports the entire Titan Nation. The deposit is meant to help motivate our families to step out and help. We like to have fun at these events and build a family bond within our entire organization.

**Whatever the fundraiser may be for the year, it will be based on a per child participation, not per family!**

The Titans continue to appreciate the support of our wonderful Families and look forward to another great season.
